The project "EUREKA - A key access to EU Rights" [EUREKA - A key to access to EU rights], co-financed by the European Union through the European Program of Rights, Equality and Citizenship - REC, contract no.826666 is implemented in Romania by the Association Novapolis - Center for Analysis and Initiatives for Development, in partnership with the European Institute of Romania (IER) and the National Trade Union Confederation "Cartel ALFA" between 15.07.2019-30.11.2021. The general objective of the EUREKA project is to facilitate the exercise of the rights of free movement, inclusion and participation of EU mobile citizens in the host Member States, through joint local, national and transnational expertise and an advanced level of access to digital information.
